

Wife Translator helps you understand messages from your wife and re-phrase your own so they land just right. Simply upload a screenshot of your conversation, and the app generates multiple AI-crafted replies trained on expert relationship and marriage advice.

Pick from modes like *Spicy*, *Compliment*, *Ask for a Favor*, *Apologize* and more to make sure your words connect the way you want. With Wife Translator, you'll express yourself more clearly—and keep the spark in your marriage alive.
